excerpt from our country's flag and the flags of foreign countries looking more carefully at the difference between the two directions of the new education we can see what each accomplishes there is first an effort to train the original powers of the individual and make him self active quick at observation and free in his thinking next the new education endeavors by the reading of books and the study of the wisdom of the race to make the child or youth a participant in the results of experience of all mankind these two movements may be made antagonistic by poor teaching the book knowledge containing as it does the precious lesson of human experience may be so taught as to bring with it only dead rules of conduct only dead scraps of information and no stimulant to original thinking its contents may be memorized without being understood on the other hand the self activity of the child may be stimulated at the expense of his social well being his originality may be cultivated at the expense of his rationality if he is taught persistently to have his own way to trust only his own senses to cling to his own opinions heedless of the experience of his fellows he is preparing for an unsuccessful misanthropic career and is likely enough to end his life in a madhouse it is admitted that a too exclusive study of the knowledge found in books the knowledge which is aggregated from the experience and thought of other people may result in loading the mind of the pupil with material which he can not use to advantage about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

alphabetical and illustrated guide to flags of independent nations their constituents and dependencies worldwide

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

gives the history of the american flag and of the flags of all fifty states also discusses state seals u s government and armed forces flags and flag etiquette
